Infection Prevention and Control Manual 2019 (With 2020 Addendum)

Table of Contents

Title	Page
Chapter 1: Infection Control Program	
Infection Control Program	1.1
Overview of Federal Regulations for Infection Control	1.2
Infection Preventionist Responsibility, Qualifications, and Function	1.9
Reference List	1.11
Chapter 2: Surveillance	
Surveillance Overview	2.1
Identification and Follow-Up of Infections	2.7
Guide for Surveillance Procedures for Infection Control Professional	2.8
Environmental Culturing Policy	2.13
Environmental Rounds	2.14
Infection Summary Report Form	2.15
Monthly Infection Control Log (Line List)	2.17
Employee Illness Log	2.19
Employee Infection Line List/Log	2.21
Infection Control Environmental Rounds	2.23
Reference List	2.27
Criteria for Infection Report Form – Respiratory Tract Infections (RTIs)	2.29
Criteria for Infection Report Form – Urinary Tract Infections (UTIs)	2.33
Criteria for Infection Report Form – Gastrointestinal (GI) Tract Infections	2.37
Criteria for Infection Report Form – Skin, Soft Tissue, and Mucosal Infections	2.39
Transmission-Based Precautions Checklist	2.43
Chapter 3: General Policies	
Barber and Beautician Services Policy and Procedure	3.1
Blood and Body Fluid Spill Clean Up Policy and Procedure	3.3
Cleaning, Disinfection, and Sterilization Overview	3.5
Sterilization of Critical Devices Policy and Procedure	3.7
High-Level Disinfection Policy	3.8
Intermediate-Level Disinfection Policy and Procedure	3.9
Low-Level Disinfection Policy	3.10
Comparision of Chemical Disinfectants	3.11
General Guidelines for the use of Chemical Disinfectants	3.12
Cleaning and Disinfecting Blood Glucose Meters Policy and Procedure	3.13
Cleaning and Disinfecting PT/INR Machine/Monitor Policy and Procedure	3.15
Cleaning and Disinfecting Nebulizer Equipment Policy and Procedure	3.16
Resident Care Equipment &Articles for Handling, Reprocessing & Transport Policy &Procedure	3.17
Glove Technique (Non-Sterile) Policy	3.18
Glove Technique (Sterile) Policy	3.19
Gowning Technique Policy	3.20
Masking Technique Policy	3.21
Multi-Dose Vials and Large Volume Sterile Solutions Policy	3.22
Rotating Stock Supplies Policy	3.23
Shelf Life of Sterile Items Policy and Procedure	3.24
Dishes and Infection Control Practices	3.25
Pets and Animals in the Long Term Care Facility Policy	3.27
Physical Plant	3.30
Pest Control Policy	3.31
Ice Chests and Machines Policy	3.32
Refrigerator Temperature Log (Form)	3.35
Reporting of Diseases for Public Health Purposes Policy and Procedure	3.37

Infection Prevention and Control Manual 2019 (With 2020 Addendum)

Table of Contents

Title	Page
Reportable Diseases Policy and Procedure	3.39
Prevention of Disease Spread	3.42
Visitors Policy	3.43
Visitor Guidelines for Transmission Based Precautions Policy and Procedure	3.44
Portable Humidifier	3.45
Barber and Beautician Service Audit Tool	3.47
Personal Protective Equipment-Donning and Removal Audit Tool	3.49
Sanitation and Disinfection Audit	3.51
Reference List	3.53
Recommended Resources	3.55
Chapter 4: Bloodborne Pathogen Exposure Control Plan	
OSHA Exposure to Bloodborne Pathogens Standard	4.1
Bloodborne Pathogen Exposure Control Plan Policy	4.2
Program Administration	4.3
Employee Exposure Determination	4.4
Methods of Implementation and Control	4.5
Safety Device Evaluation Form	4.9
Personal Protective Equipment (PPE) - (See also Chp. 8 Transmission Based Precautions)	4.11
Environmental Services-Waste-Laundry	4.12
Hepatitis B Vaccine and Post-Exposure Follow-Up	4.13
Training Policy and Procedure	4.14
Record Keeping Policy and Procedure	4.16
Sharps Injury Log (See 4.45)	4.17
Communication of Hazards to Employees Procedure	4.18
Notification of Emergency Response Employees (EREs) Policy and Procedure	4.19
Specific Tasks and Required Protective Wear	4.21
Table of Labeling Requirements	4.23
Bloodborne Pathogens Post-Exposure Evaluation Policy and Procedure	4.25
Evaluation of Reported Injuries	4.28
Exposure Incident Records Inventory	4.29
Employee Counseling Record - Bloodborne Pathogen Exposure	4.31
Post-Exposure Incident Written Opinion for Employee	4.33
Blood and Body Fluid Employee Exposure Report Form	4.35
CDC - Sample Blood and Body Fluid - Employee Exposure Report Form Link	4.43
Sharps Injury Log	4.45
Exposure Incident Flow Chart	4.47
Quick Review Post-Exposure Prophalaxis	4.49
Preferred HIV PEP Regimen	4.51
Summary of Recommendations	4.52
Exposure Incident Testing Consent	4.53
Hepatitis B Post-Exposure – Source Known, Flow Chart 1	4.55
Hepatitis B Post-Exposure – Source Unknown, Flow Chart 2	4.56
Reference List	4.57
Bloodborne Pathogen Post-Exposure Evaluation and Follow-Up	4.59
Chapter 5 Tuberculosis Exposure Control Plan	
Pathogenesis and Transmission of Tuberculosis	5.1
CDC Appendix B. Tuberculosis (TB) Risk Assessment Worksheet	5.7
Tuberculosis Screening-Residents	5.15
Resident Tuberculosis Screening Questionnaire	5.23
Tuberculosis Screening – Employees	5.25

Infection Prevention and Control Manual 2019 (With 2020 Addendum)

Table of Contents

Title	Page
Employee Screening Tools for TB	5.31
Verification of Diagnostic Workup and Treatment of Tuberculosis	5.33
Exemption from Tuberculin Skin Testing for a Pregnant Healthcare Worker	5.35
TB Blood Test and Tuberculin Skin Testing (TST) Form	5.37
Comparison of 2007 Tech. Instructions for TB Screening & Treatment w/ 1991 Tech. Instructions	5.39
Review of the Tuberculosis Plan	5.43
TB Program Audit Tool	5.45
Reference List	5.47
Multidrug-Resistant Tuberculosis (MDR-TB) Information Sheet	5.49
Tuberculin Skin Testing Information Sheet	5.51
BCG Vaccine Information Sheet	5.53
Testing for Tuberculosis	5.55
Chapter 6 Employee Health	
Employee Health Policy and Procedure	6.1
Employee Illness Policy	6.3
Immunizations/Vaccinations Policy	6.7
Influenza Vaccine - Employee	6.9
Health Care Worker Influenza Vaccination Tracking Form	6.11
Influenza Vaccination Administration Form for Health Care Workers	6.13
Influenza Vaccine Standing Orders for Employees	6.15
Declination of Influenza Vaccine	6.17
Influenza Vaccination Information and Release Form	6.19
Health Care Professional's Written Opinion, Hepatitis B Vaccination Series Form	6.21
Employee Immunization Record	6.23
Pre-Employment Screening	6.25
Hepatitis B Vaccine Immunization Record	6.27
Hepatitis B Vaccine Declination	6.29
Immunization/Screening Consent Form	6.31
Employee Hepatitis B Vaccination Informed Consent Form	6.33
Tuberculosis Screening - Employees	6.35
Employee TB Screening Tool	6.41
Verification of Diagnostic Work-Up and Treatment of Tuberculosis	6.43
Exemption from Tuberculin Skin Testing for a Pregnant Healthcare Worker	6.45
Reference List	6.47
Chapter 7 Standard Precautions	
Standard Precautions - Overview	7.1
Example of Donning and Removal of Personal Protective Equipment (PPE)	7.7
Respiratory Hygiene, Patient/Resident Placement	7.9
Resident Care Equipment	7.10
Care of the Environment	7.10
Textiles and Laundry	7.11
Safe Injection Practices	7.11
Standard Precautions	7.12
Hand Hygiene Policy and Procedure	7.15
Gloves Policy	7.19
Gowns Policy	7.21
Masks, Eye Protection, Face Shields Policy	7.22
Personal Protective Equipment Audit Tool	7.25
Reference List	7.27
Hand Hygiene/Glove Use - Audit Tool	7.29

Infection Prevention and Control Manual 2019 (With 2020 Addendum)

Table of Contents

Title	Page
Chapter 8 Transmission-Based Precautions	
Transmission-Based Precautions	8.1
Contact Precautions	8.3
Droplet Precautions	8.9
Airborne Precautions	8.11
CDC Clinical Syndromes or Conditions Warranting Empiric Transmission-Based Precautions	8.13
Multidrug-Resistant Organisms	8.15
Isolation – Visitors PPE Audit Tool	8.17
Reference List	8.18
CDC Sequence for Removing Personal Protective Equipment (PPE) Poster	8.19
Chapter 9 Resident Care	
Nursing Policy	9.1
Preadmission Process Policy and Procedure	9.2
Aseptic Technique for Resident Care	9.3
Clinical Cultures	9.5
Wound Culture Collection	9.6
Work Activity Guidelines for Infection Control	9.7
Hand Hygiene by Residents	9.9
Infection Control for Residents - General	9.10
Investigation of Rashes	9.11
Scabies	9.12
Ink Test and Epidermal Scraping Procedure	9.15
Pediculosis (Lice)	9.16
Prevention of Catheter-Associated Urinary Tract Infections	9.19
Management of Gastrointestinal Illness/Outbreak	9.23
Preadmission Screening Form	9.27
Fact Sheet - Scabies	9.29
Identification and Management of Bed Bugs	9.31
Catheter Care Audit Tool	9.33
Hand Hygiene Audit Tool	9.35
Infection Control and Hand Washing Audit Tool	9.37
Reference List	9.39
Chapter 10 Resident Immunizations and Vaccinations	
Influenza Vaccine Program Policy and Procedure	10.1
Influenza Vaccination Information and Release Form	10.3
Influenza Vaccine Standing Protocol	10.5
Pneumococcal Vaccine Program	10.7
Standing Order for Pneumococcal Vaccine (Sample Form)	10.11
Protocol for Pneumococcal Vaccination of Persons Age 65 Years or Older	10.13
Influenza and Pneumococcal Immunizations Guidance	10.15
Tuberculosis Screening - Residents	10.20
Resident Annual Tuberculosis Screening Questionnaire	10.25
Tetanus and Diphtheria Toxoids Vaccinations	10.27
Resident Immunization Record	10.29
CDC Website for Recommended Immunication Schedule	10.30
Reference and Resource List	10.31
Is it a Cold or the Flu? Sheet	10.32
Guide to the Contraindications and Precautions to Commonly Ued Vaccines in Adults	10.33
Influenza Vaccine: Live, Intranasal Information Sheet	10.35
Influenza Vaccine: Inactivated Information Sheet	10.37

Table of Contents

Title	Page
Hepatitis A Vaccine Information Sheet	10.39
Hepatitis B Vaccine Information Sheet	10.41
Pneumococcal Conjugate Vaccine Information Sheet	10.43
Pneumococcal Polysaccharide Vaccine Information Sheet	10.45
Td or Tdap (Tetanus-Diphtheria or Tetanus-Diphtheria-Pertussis) Vaccine Information Sheet	10.47
DTaP (Diphtheria, Tetanus & Pertussis) Vaccine Information Sheet	10.49
Shingles Vaccine-Live Information Sheet	10.51
Shingles Vaccine-Recombinant Information Sheet	10.53
CDC Recommended Adult Immunization Schedule: United States – 2018	10.55
Chapter 11 Antibiotic Stewardship and Multi-Drug Resistant Organisms	
Antibiotic Stewardship	11.1
Multi-Drug Resistant Organisms	11.4
Appropriate Antibiotic Use Audit Tool	11.7
Prophylactic Antibiotic Use Audit Tool	11.9
Adult Appropriate Antibiotic Use Summary	11.11
MDRO Facility Assessment	11.13
Preadmission Screening Form	11.17
Antibiogram	11.19
Antibiogram Readiness Checklist	11.21
Antibiogram Policy	11.23
Guidelines for CRE	11.25
Guidelines for C-Diff	11.29
Guidelines for ESBL	11.33
Guidelines for MRSA	11.37
Guidelines for VRE	11.41
Toolkit for Reduction of C-Diff Infections Link	11.45
Chapter 12 Outbreak Management	
Outbreak Investigation Policy and Procedure	12.1
Admission of Residents During an Outbreak	12.5
Antiviral Prophylaxis During an Influenza Outbreak Policy and Procedure	12.6
Nasopharyngeal Swabs Collection	12.7
Nursing Responsibilities During an Outbreak Policy	12.8
Resident Activity Restrictions During an Outbreak Policy	12.9
Stool Cultures in a Suspected Enteric Organism or Foodborne Outbreak Policy and Procedure	12.10
Visitor Restrictions During an Outbreak Policy and Procedure	12.11
Management of Norovirus Outbreaks Policy and Procedure	12.12
Management of Suspected/Acute Influenza Outbreak Policy and Procedure	12.15
Types of Flu's Defined	12.18
Influenza Pandemic	12.19
References	12.20
CDC Influenza Specimen Collection Guide	12.21
CDC Influenza Specimen Collection Poster	12.22
Stop Sign – Check with Nurse Before Entering Resident's Room	12.23
Legionnaires' Disease Resources	12.25
Chapter 13 Dietary	
Dietary Department Policy and Procedure	13.1
CMS F812 Food Safety Requirements	13.4
Dining Audit	13.15
Food Service Audit Tool	13.17
Employee Illness Log	13.19
