This information is used by the Centers for Medicare & Medicaid Services (CMS, the federal Medicare & Medicaid agency) to be sure that the home health agency meets quality standards and gives appropriate health care to its patients. You have the right to refuse to provide information for the assessment to the home health agency. If your information is included in an assessment, it is protected under the Privacy Act of 1974 (5 U.S.C. 552a), as amended.
