

BEST SELLER! Briggs Individual Narcotic Record

Provides a tamper-proof record system for your facility. Enter each individual patient’s name in the index at the front of the book, then record every drug administered to that patient on the corresponding consecutively numbered page in the book.

Key Features include:

- Controlled Drugs - Count Record pages for shift verification
- Routes of Administration found on the Individual Narcotic Record
- Disposition of Unused Drug found on the Individual Narcotic Record
- Directions for Usage page found in front of this book

Looking for other titles?

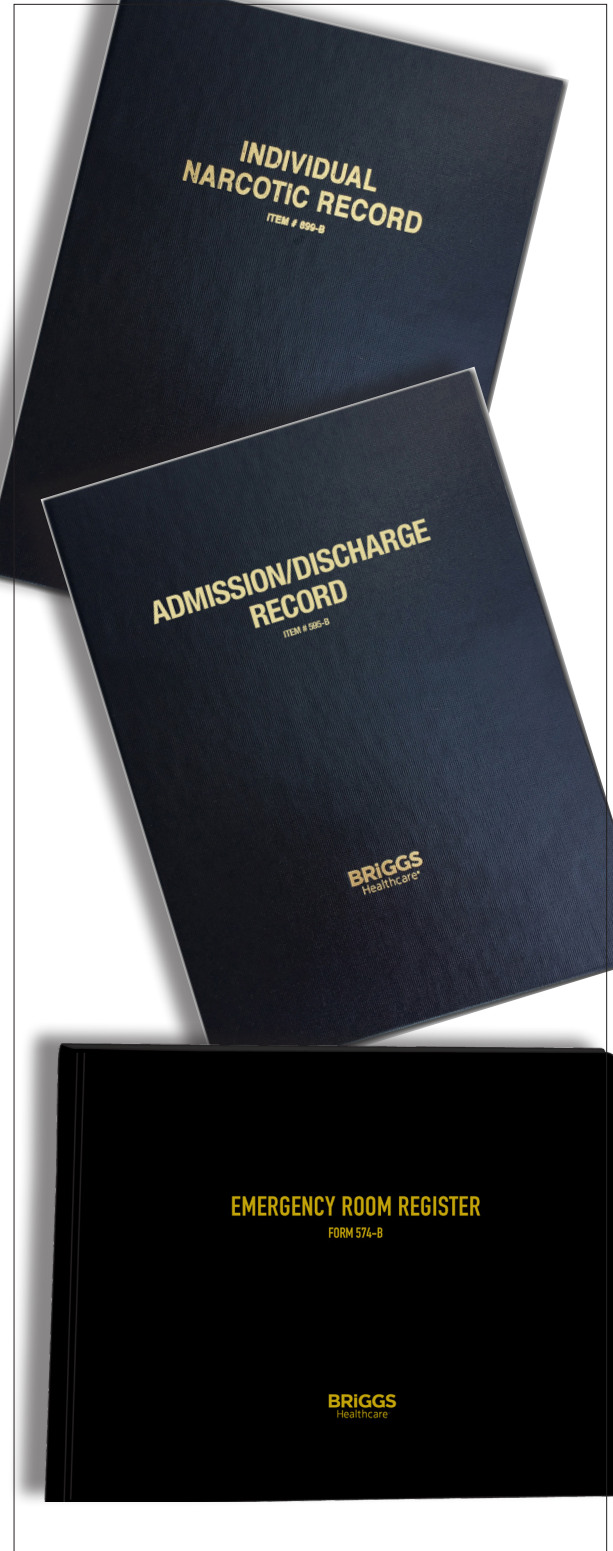

Briggs offers sixteen (16) titles to choose from!
